## Good Roads Bill Drafted.

A bill was drafted Saturday by the Legislative Committee of the Kentucky Good Roads Association that it is believed will meet with the approval of the next Legislature. The committee at work on the measure is composed of Judge James P. Gregory, of Louisville; Harry Sommers, of Elizabethtown, and Jos. F. Bosworth, of Middlesboro.

By a vote taken last year the people of Kentucky authorized an amendment of the Constitution permitting any county in the State to increase its debt from 2 to 5 per cent of the county assessment, the purpose being that bonds could be issued for the construction of good roads.

Three good roads bills were introduced at the last session of the Legislature, but all of them met defeat. The Legislative Committee of the Good Roads Association is confident that the bill it drafted Friday will meet with the approval of a majority of the members of the next General Assembly.

The Bourbon Fiscal Court met yesterday in regular monthly session with Justice L. J. Fretwell presiding and Magistrates John Redmon, Geo. K. Redmon and E. P. Thomason, Omer Lloyd, W. H. Suire and B. F. Stipp present. The report of Turnpike Supervisor C. F. Redmon was received and an appropriation of \$401 was ordered to pay the overcheck. Accounts to the amount of \$362.09 are allowed and ordered paid. An order was entered authorizing the purchase of seventy-five corrugated culverts for \$1,954 payable December 1, 1911, without interest.

## THEATRICAL.

Two excellent pictures were produced at the Comet Theatre last night and yesterday afternoon and were witnessed by a packed house at each performance. The inauguration of the Comet seems to have supplied a long felt want and it is being patronized by the best citizens of the town and county. For this afternoon and tonight, is promised two more good ones.

Owing to the large crowds which pack the place at every performance the management will during the week tear out a partition and arrange for an increased seating capacity of one hundred. For the latter part of the week will be presented one of the greatest pictures ever made, "King Edward's Funeral." This picture has an added interest from the fact that ex-President Roosevelt may be recognized in the parade in several places on the film.

## SOUSA'S BAND AT PARIS GRAND FRIDAY AFTERNOON, DEC. 2.

John Phillip Sousa, master of band conductors, is the greatest traveler among musicians. During the past eighteen years he has covered more than half a million miles, playing or directing his band before great audiences in many of the civilized countries of the globe. Besides the United States and Canada, Sousa has won notable success in England, Germany, France, Russia, Austria, Holland, Belgium, Denmark, Ireland, Scotland and Wales.

Now the March King is preparing for a tour of the world which began late in August and will not end until the early fall of 1911. Following his appearances at Ocean Grove, N. J., Sousa and his band will be heard at Willow Grove, at the Western Pennsylvania Exposition, Pittsburgh, in several concerts in New York State and then

in some of the principal cities of the middle west. After his farewell at the Hippodrome, New York, Sousa sails with his men for London here his first European concert takes place January 2.

Before the 25,000 mile trip is over Sousa will have won the applause of music lovers in most of the countries already mentioned and, in addition, will have faced the citizens of Egypt, Australia, Arabia and Japan. As always, two distinguished soloists, a singer and a violinist, will accompany the Sousa Band. Herbert Clarke, first cornetist and assistant conductor, will also appear frequently as soloist.

Sousa and his entire band will be at the Paris Grand for one performance only, Friday afternoon, December 2, at 2 o'clock.
